SUGGESTION OF BANKRUPTCY

On July 11, 2007, certain creditors of Earth Biofuels, Inc. (“Earth Biofuels”) filed an involuntary petition (the “Involuntary Case”) under title 11 of the United States Code (the “Bankruptcy Code”) in the Bankruptcy Court for the District of Delaware. A true and correct copy of the Involuntary Petition is attached as Exhibit A to this Petition. Pursuant to section 362(a) of the Bankruptcy Code,¹ the commencement of the Involuntary Case operates as a stay, applicable to all entities of the commencement or continuation of any judicial, administrative, or other action or proceeding pending against Earth Biofuels. *See In re Krystal Cadillac*

¹ Section 362 of the Bankruptcy Code provides in pertinent part:

- (a) . . . a petition filed under section 301, 302, or 303 of this title, or an application filed under section . . . operates as a stay, applicable to all entities, of--
- (1) the commencement or continuation, including the issuance or employment of process, of a judicial, administrative, or other action or proceeding against the debtor that was or could have been commenced before the commencement of the case under this title, or to recover a claim against the debtor that arose before the commencement of the case under this title;
- (2) the enforcement, against the debtor or against property of the estate, of a judgment obtained before the commencement of the case under this title;
- (3) any act to obtain possession of property of the estate or of property from the estate or to exercise control over property of the estate;
- (4) any act to create, perfect, or enforce any lien against property of the estate;
- (5) any act to create, perfect, or enforce against property of the debtor any lien to the extent that such lien secures a claim that arose before the commencement of the case under this title;
- (6) any act to collect, assess, or recover a claim against the debtor that arose before the commencement of the case under this title;
- (7) the setoff of any debt owing to the debtor that arose before the commencement of the case under this title against any claim against the debtor . . .

11 U.S.C. § 362(a).

Oldsmobile GMC Truck, Inc., 142 F.3d 631, 637 (3d Cir. 1998) (noting that the scope of the automatic stay is broad, and it stops all collection efforts, foreclosure actions, and other harassment efforts); *In re Sullivan*, 357 B.R. 847, 853 (Bankr. D. Colo., 2006) (holding that the filing of a bankruptcy petition imposes the automatic stay, which prohibits any act to collect, assess or recover a claim against the debtor that arose before the commencement of the bankruptcy case, and a willful violation permits recovery of actual damages, including costs and attorneys' fees, and, in appropriate circumstances, punitive damages). Accordingly, the instant action against Earth Biofuels is stayed by operation of the automatic stay.

Respectfully submitted,

CUDDY & FEDER LLP
